ABOUT TECHNICAL BASKETBALL ACADEMY

Technical Basketball Academy (TBA), is a youth organisational institution that seeks to transform a Namibian child by identifying hidden talent, educating & equipping its future leaders.
The Academy was founded on the beliefs that the youth are the most important contributing members of the global productivity.

Technical Basketball Academy seeks to be the leading training ground of these future leaders. Each year TBA draws young Namibian children from all over the Khomas Region to become part of the TBA group.
At TBA young leaders are provided the platform to build a powerful intellectual foundation and develop their entrepreneurship capacity through TBA's unique curriculum and learning environment.

TBA Basketball Program

Overview

Founded in 2015, Technical Basketball Academy empowers a Namibian child through Basketball integrated with Entrepreneurship training and Academic tutorials. we at TBA identified this untapped potential in Namibia when it comes to sports.

We Seek dynamic motivated members/participants from all across Khomas region who are thrilled at the prospect of an intense program which they will develop as student athletes as early as grade 4-to 11 all are welcome TBA

TBA Entrepreneurship Program

Overview

This Entrepreneurial program is an initiative that aim to empower all TBA members to foster a mind-set of entrepreneurship and hard work. This program aims to disrupt innovation amongst all our members.

We promoting a culture of job creators and not job seekers!

TBA Entrepreneurship curriculum pushes members to discover their true potential to create widespread positive change. Our program differs from other programs through the depth of experience we provide.

TBA Let's Study Program

Overview

Established in line with the Academy Goals the TBA Let's Study Program is a hands on Practical theory oriented learning aimed at ensuring the Academy mission to produce the ultimate student athlete.

Providing a challeging and stimulating enviroment, it is a logical extenstion of the Academys Mission to develop the next class of African leaders,in this unprecedent era of of globalisation.

Meunae Tjirimuje

Technical Basketball Academy's 11th Grade

At age 17 he is a prospect of the future, the young man who has a powerful work ethic & has a high 10th grade National ranking performance, is a very ambitious young man. His competitiveness being a special attribute that he poses.

Meunae joined the academy in 2015, and in that same year represented the Namibian U/17 Basketball team at the youth games. Meunae is so grateful for the opportunity he has and wants to shape the futureof his community and our shared world with his experiences.

His hard work paid of when he was accorded a merit award of being the academic student athlete of the season. Meunae and his team finished 3rd during the 2015 season.

During the 2016 season he was determined to do better apart from his academic accolades, the young man was awarded the most improved player award.

Meunae to is an U/17 & U/20 National team player

The future is indeed bright!

Financials

2015/2016

Total	130

TBA has carefully managed its operating budget such that we can invest in an aggressive role out Master Plan created in 2015. We have committed to establishing a TBA TODS Program: the completed role out, which expanded our student population by almost 40%.

Seven TBA Students were the first Namibians to be a part of the SAIF festival, We are proud to announce this venture as it would be the first of its kind for Namibian youth to participate as athletes in entrepreneurship.

TBA Tjiri Ndjarakana finished 3rd runner up
at the competition
